SHEER BEAUTY

Luscious Janet Johnson is the latest "find" of Bunny Yeager, famous model and photographer. Janet's a Hollywood (Fla.) gal and her breath-taking loveliness is destined to make her a Hollywood (Calif.) star. Guys will be waxing loud about this Johnson, whose glamor will shine on for a long, long time!

A country girl originally, Janet was planning to become a student of agriculture until Bunny Yeager discovered her and convinced her to madel. Now she plans to try acting.

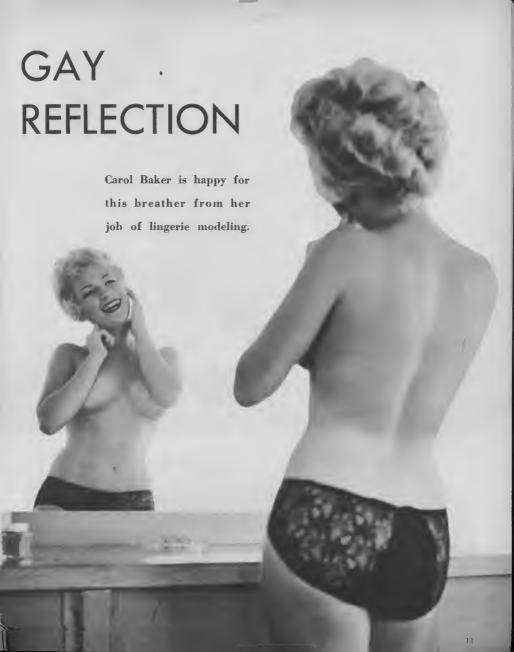

Like most Florida girls she loves outdoor activities, especially swimming in the surf. Since she's bright it was easy for her to learn to "surf" up beauty before the photogs.

Though she swims and hikes, Judy's no tomboy. It's obvious!

HOME on the range doesn't mean tending the kitchen stove to sultry blonde Judy Piacenti. No sir! It means out there on the plains where the deer and the antelope roam and where the skies are not cloudy all day. Judy's an outdoor lassic all the way, and the irony of the situation is the fact that she's a native of New York City.

Yet, this curvaceous beauty is making her desire pay off, 'cause fotogs find her one of the best outdoor models around. She has that natural, healthy look. What's more, Judy gets plenty of healthy looks, too!

Barefoot gal with charm that's the way fotogs describe Judy, who'd never get lost in woods.

Folies Bergere beauties are among the lowest paid show-girls in the world. But, brother, do they love the work!

PAREE—city of light and lovelies, citadel of sex ala Francaise and a town where what's here today is real gone tomorrow! Yessiree, 50 million Frenchmen may not always be right, but they sure don't mind going wrong—particularly since there's no harm in it, and what goes on (and comes off) is really setting the style for the rest of the world at play. With night clubs like the Eve, Friede's, the Moulin Rouge and Les Naturists, no wonder the city rocks from dusk to dawn.

Here it is, a zing-side seat to the zestiest

where customers were provided with fish poles and told to hook onto loops in the exotics' costumes! There are peep shows and weep shows, gore at the Grand Guignole, and if you're fancy there is a Left Bank existentialist hang-out, the Doorway to Hades or the Bucket of Blood will give you all the local color you'll ever desire. In the Spring or in the Fall, wherever your pedal extremities take you, you'll find fascinating femmes, ranging from movie stars like Brigitte Bardot to sexotics like Laine Moreau, who does the Dance of the Seven Veils with only one. Not even the Seine is overlooked, as any gendarme who has ever raided a midnite swim party can tell you, (that is, if he's not assigned to the Beaux Arts Ball-where you definitely don't dress.) Yes sir, things really happen beyond the blue horizon of the Atlantic and that's one of the reasons Paree will always rock and roll. But don't take our word for it, grab a look for yourself at Paree behind-the-scenes, and ahead of the times! Voilal

In this navel beauty cantest at the Tabaa, customers were invited ta place-the-face. Or the figure!

50 millian Frenchmen didn't ga wrong when they nicknamed Damenica (40-24-36) Paree's 'Venus.'

Oh, to be Sick!

In her native Los Angeles, Jan was a tomboy all during her school years. It's a cinch her classmates wouldn't recognize her now.

Luscious Jan Parker makes our temperature go up, our pulse quicken and our head spin. We know there's nothing wrong, but we might as well be sick. Why not? This beauty's a nurse.

Madeling enables her to supplement her income so she can become on MD.

Like the heroine of "Spellbound" Jan wants to be a psychiotrist. With her os a dactar, it wauld be fun to have a neurosis and be spellbound by her beauty.

... deserves another, and here she is in the appealing person of Barbara Turner, a girl who really doesn't have to depend on reflected glory-she has charm aplenty by any name.

Veil may give Monico ouro of mystery but you have to admit she does more for the veil than it does for her.

Cleverly she turns her veil into o snood. Here she shows you how to be populor — through veddy snoody.

So whot if Solome did hove seven veils! Monico shows whot con be done with only one. As you con obviously see — oll's veil that ends veil.

Even in quiet repose, Vicki's compressed vitality would power a rocket ship to the most distant planet in space.

Everything's streamlined these days, including sales talks. But when these lovelies invade the polar regions it's a cinch they'll have the blubber boys running around in Arctic circles!

The midnite sun would be a lot sunnier with curvaceous Sunny Rios, I., around. And Shirley Lee would add a thrill to the land of chill.

HOW TO SELL BATHING SUITS TO ESKIMOS . . . (CONTINUED)

There was a time when all an Eskimo did during summer was fish and hunt to lay away stores for winter, but any day now you'll probably be hearing about beauty contests as these swimsuits hit the Arctic markets. Those Nanooks of the North are a cinch to trade their pemmican for a polka-dot Bikini, complete with chassis, especially the kind of curvaceous forms displayed by this bevy of beauties headed by Sunny Rios, Shirley Lee, Hope Diamond and Laura Saadi. In fact, if things keep going the way they are it wouldn't surprise us to read an ad for

Minsky's Igloo featuring fabulous femmes on frozen runways—even if the runways wouldn't stay frozen long. It may still be true that it's a tough job to sell ice boxes to the Eskimos, but what bothers us is that no one ever thought they might be interested in bathing suits. And, since seeing is believing, here's the reason we know every polar playboy is ready to drop his sales resistance and head for the nearest Greenland general store. Buying bathing suits for beauties like these is a feather in any Arctic wolf's cap. Ice cap, that is!

Who could ask for anything mare than Babbie Burt's 38-24-34 frame to make a picture ony artist would lave to point? Who needs an Arctic landscope with scenery like this?

Haw fur con a polar bear's fur go? Fur enough to groce Sue Sorrelll!

TEXAS BRAND OF BRANDY

D-a-double l-a-s spells Dallas—and the guys down there are no longer the mos' happy fellas since beautiful Brandy Bryan left for Hollywood. This 20-year-old Brandy is of the blue-ribbon variety—mild and easy to take. Fotogs expect her to win even greater prizes!

AMERICA'S GREATEST INSTITUTION

All Eurapeans admire American bathroams. We have all the ultra-modern improvements, as are shown belaw with the lavely Shawer Queen—Joyce Crane.

Who wouldn't ogree with the polls where mognificent leon Adair is concerned? The combination of her chorms and dancing obility rotes her high omong gols preferred.

Beoutiful Eve Morlowe odds fuel to the fire in presenting this posed proof that blande bothers look better in bikinis.

LES BLONDES

Do you agree with the current surveys that gentlemen prefer blondes—that more blondes wear mink, marry younger?

It isn't hard to see why lavely Jean Adair is so popular with audiences. Her lissame figure, graceful movements and radiant smile all add up to a Jean-uine delight. Here's one bird dance that isn't for the birds!

JEAN ADAIR

A favorite light subject is gorgeous, glowing Jean Adair, who puts the spark in many a show with her sensational and eye-appealing bird dance.

All poll takers must agree that a blonde like Eve Marlowe can be spotted up to one thousand yards on any given beach.

TARS IN HER AYES

Adele Baker says she likes having sailors in her audience. "They're so appreciative and enjoy my dancing so much," says she. But a guy doesn't have to be a sailor to enjoy her brand of entertainment. She wows GIs and civilians, as well as the bell-bottom trouser boysl

WILL YOU SPEND \$2 TO SAVE YOUR HAIR?

How many hard-earned dollars have you spent to save your hair? How many hair tonics, gadgets, restorers, electrical devices, have you tried in the last few years — with no success? How many times after an unsuccessful hair-growing attempt have you sworn not to spend another cent on another hoir treatment?

Yet, you buy the next product that comes on the market with hair-arawing claims.

Stand in front of a mirror, take a long hard look at the top of your head. What have you to show for the money you spent on hair restorers? Do you have as much hair as one year ago? Do you see any signs of new hair, or new hair growth? Why the failure?

CAN YOU GROW HAIR?

Doctars who have spent a lifetime studying hair and hair growth have cancluded that nothing now known can grow hair on a bald head. So, if you are bald, prepare to spend the rest of your life that way.

Accept it philosophically and quit spending hard-earned dollars on hair arowers.

If you can't grow hair—what can you do? Can you stop excessive hair lass? Can you save the hair you still have? Can you sove the life expectancy of your hair? Probably. Please read every word in the rest of this statement carefully, since it may mean the difference to you between saving your hair and losting the rest of it to eventual BALDNESS.

HOW TO SAVE YOUR HAIR

Itchy scalp, hair loss, dandruff, very dry or oily scalp, are symptoms of the scalp disease called seborrhea. These scalp symptoms are often warnings of approaching baldness. Nat every case of seborrhea results in baldness, but doctors now know that men and women who have this scalp disease usually lose their hair.

Seborrhea is believed caused by three parasitic germ organisms (staphylacoccus albus, pityrosporum ovale, microbacillus). These germs first infect the sebaceous glands and later spread to the hair follicles. The hair follicles atrophy, no longer can produce new hairs. The result is "thinning" hair and baldness.

Many men and women suffer needless warry and heartache as they peer into the mirror at their retreating hairlines. Worse, they suffer needless loss of hair because today sebor-rhea can be controlled—quickly and effectively—by treating

your scalp with the amazing scalp medicine called Ward's Formula.

DOUBLE MONEY BACK GUARANTEE

In seconds, Ward's Farmula kills the three parasitic aerm organisms retarding normal hair growth. This swift germicidal action has been proven in scientific tests by a world-famous testing labgratory (capy of laboratory report sent on request). Ward's removes infectious dandruff, stops scolp itch, brings hair-nourishing blood to the scalp, tends to normalize very dry or oily scalp. In brief Ward's Formula carrects the ualy symptoms of sebarrhea, stops the hair loss it causes. Ward's Formula has been tried by more than 350,000 men and women on our famous Double-Your-Money-Back Guarantee. Only 1.9% of these men and women were not helped by Ward's and asked for their double refund. This is truly an amazing performance.

Why not join the men and women who have successfully ended their troubles? Treat your scalp with Ward's Formula. Try it at au risk. In only 10 days you must see and feel the marked improvement in your scalp and hair. Your dandruff must be gone. Your scalp lith must stop. Your hair must look hicker, mare attractive, and alive. Your excessive hair loss must stap. You must be completely satisfied—in only 10 days—with the improved condition of your scalp and hoir, or simply return the unused portian for Double Your Money Back. So why delay? Delay may cost your hair.
